Soldiers of the Cross. That is who believers are! We are in a battle with the Lord of Hosts working on our behalf.

Prayer is a mighty weapon at the disposal of every man or woman who loves God and knows His son Jesus Christ. Prayer has been described as a guided missile that can be launched from anywhere on the planet, at any target. There is no defense against it.

We purpose here to have you join us in prayer for our missionaries.

"And Pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord's people." Ephesians 6:18

The following pages include TMCI's missionaries around the world along with their contact information. Please pray for them, contact them, encourage them, and request their newsletters.

As we receive their newsletters, we post them at www.tmcimissions.org and on Facebook. However, your personal contact would be a great encouragement.

The TMCI staff prays for our TMCI members and missionaries. Let us join together, praying for the purpose and plans of God to be revealed. AMEN!

God bless you,

TMCI Staff

Evangelizing, discipling believers, teaching, preaching, and encouraging the body of Christ in Mexico. We minister in the Local Cancun churches. We have seen lots of healing and salvations. I prayed for a lady who was paralyzed on the right side of her face. After much prayer she started to feel heat in her face and God completely healed her. People with pain went home pain-free. Kidneys were healed in 2 people. There is such a big need for the Lord to heal hearts and emotions.

We minister to the people of Bashkortostan (Russia). Situated on both slopes of the Ural Mountain range, this area is a key point for reaching both cultures: European and Asian. The area has a rare ‘half and half’ approach in many things including social life and religion. Our heart is to reach this area with the saving grace of Jesus Christ. It’s the time and place where the book of Acts is continuing to be written. We hope to see the labor of our endeavors at the throne where “people are gathered from every tribe and tongue and people and nation”.

We are an international ministry dedicated to sharing the Good News of Jesus Christ and developing faith and the unity of the Spirit among His followers.

Our unique approach to sharing the Good News and fostering faith and unity is to come alongside other ministries to undergird their efforts and to serve them in any manner the Lord puts into our hands to do. Our core concept is to help provide rest and refreshment to full time ministers so that they might go forth strengthened and energized to train and serve the Body of Christ to do the work of the ministry.
